OTHER IMPORTANT INFORMATION • MARTIN AND C.A. FREDD CAMPUSES

Shelton State Community College offers classes on two campuses: the Martin Campus and the C.A. Fredd Campus. These campuses are approximately seven miles apart. The campus location where the class meets is noted on the schedule as "Martin," "Mart," "C.A. Fredd," or "Fredd." Students should schedule classes to allow plenty of time to drive, park, and arrive on time. Students should not register for a class that meets immediately after a class on the other campus. For example, if the student's first class meets from 8:00 until 10:00 a.m. on the Fredd Campus, the student should not register for a class that begins at 10:15 a.m. on the Martin Campus. For directions to the campuses, see the Web site or the back cover of the printed schedule.

GRADES

To obtain grades, visit www.sheltonstate.edu and log in to your MyShelton account. Students must enter the User I.D. and PIN for access. Students who forget the PIN may use the Forgot PIN option. Otherwise, students must present a picture I.D. in the Office of Admissions & Records to obtain or change PINs. PINs will not be released over the telephone or sent by email. Grades are not mailed. It is the student's responsibility to check grades at the end of each semester.

TRANSFER OF COURSES

College advisors are available to help students complete class schedules. However, it is the responsibility of the student to satisfy all course prerequisites and to determine whether a course will be accepted at another institution. Students who plan to transfer to a public four-year institution in the state of Alabama should visit www.sheltonstate.edu and select the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a Web-accessible database system that provides guidance and direction for prospective students who transfer to public institutions within the state of Alabama. The STARS System allows students in Alabama to obtain a Transfer Guide/Agreement for the major at the selected public four-year institution. Print and keep this guide. If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year institution in Alabama.

PREREQUISITES

Before a student enrolls in a class, all prerequisites must be satisfied. If a student enrolls in a class for which the prerequisites are not fulfilled, the student may not receive credit for that class and may be administratively withdrawn.

CLASS CANCELLATIONS/ROOM CHANGES

Occasionally it is necessary that the College cancel a class or change a room. Students are required to verify class schedules with room numbers within the online student account. Notifications of class cancellations will be e-mailed to each student at the email address assigned to the student by the College. Students affected by class cancellations should immediately register for other classes or come to the Martin or C.A. Fredd Campus for assistance.

WITHDRAWAL POLICY

Once classes begin for the respective term, students who wish to withdraw from a class or totally withdraw from school must officially withdraw on or before the date designated as the last day to withdraw for the semester. The last day to withdraw from any class is defined in the College's Academic Calendar. There will be NO withdrawals after this date. The student will receive a grade of "W" regardless of the student's average at the time of the withdrawal if the class

does not qualify for a full refund when dropped; the grade of “W” will be recorded on the student’s permanent record. Students who remain in the class after the last day to withdraw will receive the grade earned for the class. Withdrawal through myShelton is available until midnight of the designated last day for withdrawals, and withdrawal in person is available in the Office of Admissions and Records until the close of business of the designated last day for withdrawals. No withdrawals will be taken over the telephone or by email. Failure to attend class does not constitute official withdrawal. If you are a Pell recipient or receive veteran’s benefits, it is important to speak with a representative from the Office of Financial Aid before you withdraw from classes. Your grant award can be reduced or cancelled if you do not complete your classes successfully. Students are unable to totally withdraw online and are required to meet with an advisor/navigator prior to totally withdrawing from Shelton State.

WITHDRAWAL PROCESS

Students who wish to withdraw completely from Shelton State should follow these steps:

Students who have no financial aid

1. Student meets with an advisor/navigator, and they review the student’s transcript and schedule.
2. The advisor/navigator notes if the student is receiving any type of financial assistance.
3. The advisor/navigator conducts an Exit Interview, notes the student’s reason(s) for withdrawing, and discusses alternatives and/or future educational plans.
4. The advisor/navigator records if follow-up contact or re-recruitment is needed and shares that information with the Office of Recruiting.
5. The advisor/navigator and the student sign the Intent to Withdraw form, which the student then takes to the Office of Admissions and Records for formal withdrawal.

Students who have financial aid (Pell Grant, VA, etc.)

1. Student meets with an advisor/navigator, and they review the student’s transcript and schedule.
2. The advisor/navigator notes if the student is receiving any type of financial assistance.
3. The advisor/navigator conducts an Exit Interview, notes the student’s reason(s) for withdrawing, and discusses alternatives and/or future educational plans.
4. The advisor/navigator records if follow-up contact or re-recruitment is needed and shares that information with the Office of Recruiting.
5. The advisor/navigator and the student sign the Intent to Withdraw form, and the student is instructed to go to the Office of Financial Aid to meet with a financial aid representative.
6. The financial aid representative explains the financial aid implications of the decision to withdraw and signs the Intent to Withdraw form.
7. Additionally, the student signs a letter stating that he/she understands the financial and educational implications of withdrawing from the College.
8. The student goes to the Office of Admissions and Records and presents the signed Intent to Withdraw Form and the FA letter and is withdrawn by a member of the Admissions and Records staff.
9. The student receives a copy of the completed Intent to Withdraw form.

Note: If the student does not have an assigned advisor/navigator and wishes to withdraw at the C.A. Fredd campus, the advisor/navigator who meets with the student follows all steps associated with the withdrawal process as described above but instead of sending the student to withdraw in the Office of Admissions and Records, collects the Intent to Withdraw form and transports it to the Office of Admissions and Records on the Martin campus. The withdrawal date indicated by the advisor/navigator on the Intent to Withdraw form is used as the withdrawal date. The financial aid representative on the C.A. Fredd campus will follow the same procedures as outlined above for each student who withdraws.

DEFINITIONS

FEDERAL GRANT RECIPIENT - A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), or Alabama Student Assistance Program (ASAP and ASAP Knight) is defined as a Federal Grant Recipient.

COMPLETE WITHDRAWAL - The Return of Title IV funds will be calculated based on an applicant's failure to complete at least 60 percent of the term. The calculation will be based on the last official or unofficial date of withdrawal from all classes.

SIXTY PERCENT (60%) OF ENROLLMENT PERIOD - Students who withdraw from school on or before these dates will owe a repayment. Students who withdraw after these dates may not owe a repayment.

REPAYMENT - The amount of repayment will be based upon a formula prescribed by law that considers the date of withdrawal and the amount of federal aid (excluding work study) received. Students who fail to repay the U.S. Department of Education will not be eligible to receive Federal Aid at Shelton State Community College or any other institution.

FINANCIAL AID CREDIT HOURS - All technical courses not associated with a degree plan (the program does not offer a degree) are subject to a clock hour conversion. This means that the credit hours may not be counted fully for financial aid purposes only. All information regarding a student's federal financial aid award (i.e., adjustments, courses in program, attendance, and disbursement dates of refunds) will be communicated to the student via email. To activate Bucs Mail visit www.sheltonstate.edu.

STEPS TO FINANCIAL AID

- I. **Apply for Federal Financial Aid by going to www.fafsa.gov** (free application):
 - A. Apply for your PIN Number and complete the application online before the priority deadline.
 1. The PIN is your electronic signature for the FAFSA. Parents of dependent students must have their own PIN.
 2. Shelton State Community College's School Code is 005691.
 3. For fast processing, students should use the IRS data retrieval process and sign the application online.
- II. **Complete Verification Process (if selected):**
 - A. Applicants selected for verification must provide requested documentation within 15 days of the request.
 1. Verification forms are available at http://www.sheltonstate.edu/financial_aid/financial_aid_forms.aspx.
 2. Failure to provide all requested documents will delay your award offer and financial aid payments.
- III. **Satisfy Documents, Review, and Accept Award Offers:**
 - A. All student notifications are made by mail and email. When notified, you must review and satisfy documents online:
 1. Login to *myShelton* using your SSCC ID (ex. S000000000) and pin number (*six digit date-of-birth*).
 2. Select Fin Aid Tab (tab only shows on the screens of students whose financial aid information has been accepted).
 3. Select Fin Aid Status, enter aid year, submit (will display message and hyperlink to student requirements).
Note: *Hyperlinks appear underlined in blue print.*
 4. Display will show Unsatisfied and Satisfied Student Requirements.
 5. For any Unsatisfied Requirements (*other than Authorization of Payment and Terms & Conditions*), follow the instructions or hyperlinks.
 6. For *Authorization of Payment and Terms & Conditions* complete the following steps:
 - a) Back arrow to return to Fin Aid.
 - b) Select the Award Block.
 - c) Select Award for Aid Year.
 - d) Select Resources and Additional Information Tab to read.
 - e) Select response from drop box to Satisfy Authorization Payment with Federal Funds (a message will display stating that the information has been submitted to the Student Financial Services Office but has not been reviewed).
 - f) Submit the information.
 - g) Select the Terms and Conditions tab to ACCEPT Terms and Conditions.
- IV. **Apply Aid to your Student Account:**
 - A. Register for courses each semester during regular registration.
 - B. Get books during the book charge period at the beginning of each term.
 - C. Attend every class and/or complete all required online course assignments throughout the semester.
 1. During the first week of the semester, aid is **authorized** to student accounts. Once attendance is verified, your funds will be **disbursed** onto your account to pay tuition and fees (if approved). **Authorized** aid will retain your course schedule and allow you to charge in the bookstore if you have available funds.
- V. **Get Books for Class:**
 - A. You may *charge* books to your financial aid account prior to the first day of class. Dates are posted before each semester. You are responsible for any book charges greater than your final financial aid award.
- VI. **Class Attendance:**
 - A. Financial aid disbursements require documented attendance from each course instructor.
 1. Be sure to review the course syllabus and complete attendance and/or participation requirements for each course during the first week of the semester to ensure timely aid disbursements.
 2. Financial aid awards may be reduced for non-attendance during the first week of class.
 - B. It is your responsibility to attend class and communicate with your instructor if you have complications.
- VII. **Get your Refund:**
 - A. Refund checks may be picked up 14 days after financial aid funding is disbursed to your account.
- VIII. **Withdrawals**
 - A. Each course not successfully completed will negatively impact your completion rate and/or GPA which can potentially limit your future financial aid funding.
 1. If you withdraw or stop attending school before the 60% point of the semester, you will owe a portion of your award back to the Department of Education or Shelton State.

MODES OF INSTRUCTION

To better meet the needs of our growing and diverse student population, Shelton State Community College has expanded our class offerings to incorporate different modes of instruction. By selecting classes based on the mode of instruction, students can choose a learning environment that will best meet their needs. Modes are located to the left of the course description in the schedule. The key below explains each mode of instruction.

CBI - Computer-Based Instruction This is a class with an instructor scheduled at a specific time in a computer classroom on campus. Instruction and assessment are delivered using a computer. Students are required to attend class on campus.

CAI - Computer-Assisted Instruction This is a class with an instructor scheduled at a specific time and location in a computer classroom on campus. Instruction and assessment are delivered with a combination of instructor lectures and computerized assessments. Students are required to attend class on campus.

B - Blended This is a class with an instructor requiring students to attend a designated number of classes on campus and to complete activities and coursework online. Access to a computer with high speed internet capabilities is required.

O - Online This class meets entirely online. Students are not required to come to campus. Students are required to take exams on campus or in an approved, proctored environment. Access to a computer with high speed internet capabilities is required.

Where a mode of instruction is not listed, the class is a traditional face-to-face class with an instructor scheduled at a specific time and location. Students are required to attend class on campus or at a specified location. The instructor may utilize online tools to enhance the teaching and learning process.
